What we've been up to!

We had a superb autumn and winter term with some really well supported events given the restrictions we were all still facing:

October Sponsorship month -

What a fantastic success it was from bake sales to camping, cycle rides to litter picking and pumpkin trails to reading. With your help and support we raised an incredible **£3957**

November Quiz night –

We had a brilliant evening joined by 26 teams. Our brilliant quiz master Andy was on great form and it was thoroughly enjoyed by everyone. We raised a fantastic **£260**

December Christmas Raffle -

Thanks to the support of you all, again the local community and some very generous local business we had 17 superb prizes and raised an amazing **£900**

The spring term has somewhat been hampered but our Bags2school collection in March raised **£264**

THANK YOU

Match-funding

UK Companies currently running

Match Funding schemes

Match-funding made up a significant proportion of our funds raised last year.

Does your company offer this incentive?

Have you asked?

You don't have to be a parent of a child at the school to participate, you could be a Friend or colleague of a parent. It's also not compulsory that you attend a fundraising event in order to claim the funding but can simply provide help in some way (eg. wrapping presents at home, folding raffle tickets).

PLEASE DO GET IN TOUCH AS THIS MAKES SUCH A SIGNIFICANT DIFFERENCE.
