Church of England (VA) Primary School

Succeeding Together

Welcome

1. Our Vision and Values
2. Learning through work and play
3. Being a church school
4. Building for the future
5. The community around us
6. Outside the classroom
7. Providing possibilities

Contents

Founded on the Christian values of respect, kindness and perseverance, Baydon St Nicholas encourages our pupils to discover their own strengths, develop a love of learning and a confidence and enthusiasm to try new things. We are an open, friendly school with a strong sense of community that fosters self-respect, care for others and a joy in learning and succeeding together.

Respect, Kindness and Perseverance

We have designed our curriculum creatively with the purpose of championing learning in all our pupils regardless of age. Whole school topics enrich the strong academic foundation that we strive to achieve. Our pupils are caring, happy and support each other to participate in a variety of engaging and challenging activities.

Learning through work and play

Being a Christian school underpins our daily lives as we embrace our Christian values of respect, kindness and perseverance. Through our close links to our local church, we have weekly visits from a member of the local clergy and the Open the Book team (who bring bible stories alive with drama). We celebrate Harvest, Christmas and Easter at our local church, bringing our creative flair to the services!

Being a church school

Our school has provided education to the local community of Baydon since 1843. While the Victorian building is still in use as a classroom, over the years we have enhanced and added to the building to provide room for our pupils to grow. This year, we are excited to announce the addition of a new classroom from the hall area as well as the refurbishment of our adventure playground.

Building for the future

By engaging with our local community, we provide pupils with an understanding of the world around them and how to be an active, thoughtful citizen.

Trips within our local community, such as watching lambing at a local farm, teach pupils about their environment.

Supporting our community, with events such as the Harvest supper for elderly residents, helps pupils to become respectful of others.

In our community, FOBS (Friends of Baydon School) raise money to support pupils' learning experiences.

The community around us

Learning outside the classroom is as important as learning within and so we provide a range of exciting experiences. These include residential (in KS2) to Braeside and Rockley, trips to support the curriculum across all year groups, whole school creative days, Bikeability classes, tournaments (in-house and against other local schools), various after school clubs and the option of attending our breakfast and after school club provision, Wagtails.

Outside the classroom

We firmly believe that, while pupils attend Baydon St Nicholas, they are provided with experiences and opportunities that will inspire, support and challenge them so that they are well prepared for the exciting future ahead of them.

To find out more about our school please come and see us in action by calling 01672 540554 to arrange a visit or alternatively emailing admin@baydon-st-nicholas.wilts.sch.uk

Providing possibilities
